

LIST OF PREPARERS

This document was prepared by the Federal Highway Administration (FHWA) and the Texas Department of Transportation (TxDOT), with assistance from, URS Corporation, Hicks and Company, Kailo Communications Studio LLC, and HNTB Corporation.

FHWA	
Mr. Albert Hinojosa Area Engineer FHWA, Texas Division	B.S. in Civil Engineering with 25 years of experience in transportation project development, including engineering, planning, and NEPA.
Mr. Tom Bruechert Environmental Team Leader FHWA, Texas Division	B.S. in Landscape Architecture with 24 years of experience in transportation project development including planning, NEPA, design, permitting, construction and inspection.
Dr. Owen Lindauer, Ph.D., RPA Chief Archeologist and Project Development Specialist	Ph.D., M.A., and B.A. in the field of anthropology with a specialization in archeology with over 30 years of experience in anthropological archeology and environmental compliance in the context of highway development, including the National Historic Preservation Act, Section 4(f) of the US Department of Transportation Act, and the National Environmental Policy Act.
TxDOT Environmental Affairs Division	
Mr. Carlos Swonke Director, Environmental Affairs Division	B.S. in Geology with over 25 years of experience in environmental planning, natural resource studies, and NEPA document preparation.
Ms. Sonya Y. Hernandez, P.G. Environmental Project Delivery Manager	M.S. in Geoscience with 10 years of experience in geology, hazardous materials management, NEPA and environmental contract and project management.
Mr. Michael Chavez Environmental Project Delivery Manager	B.A. in Anthropology and M.A. in Geography/Environmental Resource Studies with 16 years of experience in cultural resource management and NEPA document preparation and review.
TxDOT Corpus Christi District	
Mr. Christopher Amy TxDOT Corpus Christi District Environmental Coordinator/Biologist	M.S. in Environmental Science with 9 years of experience as a NEPA practitioner. Mr. Amy also has over 14 years of experience in the environmental field including compliance, wetland delineations and permitting, natural resource surveys, environmental site assessments, community involvement and impact analysis, habitat assessments and presence/absence surveys for endangered species.
Mr. Victor E. Vourcos, P.E. Advance Project Development Engineer	B.S. in Civil Engineering with over 25 years of experience in highway and bridge design and construction and NEPA related activities such as document preparation, field surveys, and public involvement.
URS Corporation	
Mr. Charles E. Bennett, P.E., Schematic Engineer	B.S. in Civil Engineering and Licensed Professional Engineer in Texas with 28 years of experience in Civil Engineering.
Ms. Kammy Horne, AICP Multimodal Planning Manager	B.S. in Environmental Management and a M.S. in Community and Regional Planning with over 19 years in the field of transportation planning.
Ms. Nancy Gates Public Involvement Manager	M.A., in Communications/Journalism with over 30 years of experience in public involvement and community outreach.

Ms. Janice King, CPESC, CPSWQ Sr. Environmental Scientist	MA in Geography/Environmental Studies with 16 years of experience in NEPA documentation, water quality assessment and management, National Pollutant Discharge Elimination System (NPDES) permitting, and environmental compliance, planning and permitting.
Mr. Bill Tillar Air Quality & Noise Specialist	M.S. in Atmospheric Sciences with 20 years of experience performing transportation air quality and traffic noise analyses and NEPA document preparation.
Mr. Martin L. Rodin, P.E., CFM Vice President - Transportation Harbor Bridge Project Manager	B.S. in Civil Engineering and a MBA in Business Administration. Over 30 years of experience in TxDOT schematic design and PS&E development.
Ms. Kerry Winkler Sr. Project Manager/Sr. Environmental Planner	B.S. in Wildlife and Fisheries, Ecology with 17 years of experience in management of NEPA document preparation, natural resource surveys, permitting and TNM modeling.
Hicks and Company	
Mr. Jason Buntz NEPA Task Lead/Sr. Program Manager	B.A. in Geography with 16+ years of experience in NEPA document preparation and project management, design-build environmental compliance management, environmental quality assurance for highway construction, regulatory permitting, Section 4(f) evaluations, Environmental Justice and public involvement.
Ms. Samantha Champion Environmental Specialist	B.A. in Anthropology with 5 years of experience in prehistoric and historical terrestrial archeology (phases I-III), archeological report production, Section 106 coordination, NEPA document preparation and administrative record preparation, public involvement, and indirect and cumulative effects analysis.
Ms. Elyse Schmitt Environmental Specialist	B.A. in Environmental Studies with 3 years of experience in NEPA document preparation, community impact analysis, socioeconomic analysis, public involvement, and ESRI ArcGIS 9.2.
Mr. Tom Van Zandt Esq., Principal Environmental Attorney/Planner	B.A. in Government and History, J.D., M.Sc. in Water Resource Management with 35 years of experience in environmental law, NEPA studies, direct, indirect, and cumulative impact analysis, project management, institutional and policy analysis, water resource management, public involvement, environmental justice, and environmental management systems.
Mr. Andrew Poth GIS Manager	B.A. in Geography with a focus in cartography and photogrammetry with a certification in ESRI ArcInfo with 20 years of experience in project team management, corridor analyses, geographic information systems, database management, production graphics, photo-interpretation, and cartography.
Mr. John Kuhl Senior Ecologist	B.S. in Wildlife and Fisheries Sciences with over 25 years experience in wildlife and vegetation studies, threatened and endangered species studies (habitat assessment, surveys, §7 of the Endangered Species Act consultation, and habitat conservation planning), recreational (park and preserve) planning, wetland delineation, regulatory permitting and mitigation, NEPA document preparation, and project management.

Ms. Julie LeClair Field Biologist/ Environmental Specialist	B.S. in Biology with 5 years of experience in wildlife and vegetation studies, threatened and endangered species studies (habitat assessment and surveys), recreational (park and preserve) planning, wetland delineation, regulatory permitting and mitigation, and NEPA document preparation.
Mr. Jerod McClelland GIS Analyst	B.A. in Geography with a natural resources focus and Graduate Certificate in Geographic Information Systems (GIS) with 8 years of experience in ESRI ArcGIS 9.2, ArcView 3.2, Adobe Creative Suite, Global Mapper 12, and production graphics.
Ms. Emily Reed Environmental Specialist	M.S. in Historic Preservation, B.A. in Art History, and History with 4 years experience in NEPA document preparation, socioeconomic and environmental justice analysis, community impact analysis, surveying, assessing, and documenting historic properties and determining eligibility for the National Register of Historic Places in compliance with Section 106.
Kailo Communications Studio LLC	
Ms. Carol Scott, APR Principal	B.B.A. in Management and over 30 years of public relations experience in the Corpus Christi area including media, community relations and stakeholder engagement.
Ms. Doreen Harrell Public Relations Specialist	Bachelor of Arts in Communications with more than 14 years of experience in corporate and agency public relations.
HNTB Corporation	
Ms. Debbie Taylor Deputy Project Manager	B.S. in Geology with 28 years managing preparation and coordination of NEPA documents for transportation projects.
Mr. Ramiro Garcia Director of Operations	BS and MS in Civil Engineering with 23 years if experience managing large complex transportation projects in the preliminary engineering and/or final design phases.
